REMARKS

In the September 4, 2009 Notice of Non-Compliant Amendment (37 C.F.R. § 1.121) issued by the United States Patent and Trademark Office, the Examiner asserted that Applicants' May 4, 2009 Amendment is non-complaint because rule 37 C.F.R. § 1.121(c)(3) requires that new claims not contain markings. Applicants' thank the Examiner for thoroughly reviewing the claims. The claims listed hereinabove correctly list new claim 155 without markings. Support for new claim 155 was provided in Applicants' May 4, 2009 Amendment.

Accordingly, claims 134 to 155 are pending in the subject application.

If a telephone interview would be of assistance in advancing prosecution of the subject application, Applicants' undersigned attorney invites the Examiner to telephone him at the number provided below.
